I only use professional photographic equipment within my company and whilst I assure you of my very best attention at all times, I cannot be held responsible for any manufacturers faults on sensitised materials or chemicals, nor other chemical, mechanical, electrical or optical faults. The photographer shall be granted artistic licence in relation to the poses photographed, the lighting selected and the locations used. The photographer's judgement regarding the location, lighting, poses and the number of photographs taken, shall be deemed correct. The photographer shall carry out the photography to the best of his ability. All payments are non-refundable in the event of cancellation. Any orders placed with Silent Echo, will only be released upon full settlement of account. Late orders will be charged at current prices. By law, Silent Echo own all copyrights, the right to display, publish, exhibit and enter for any competition, or use for any other purpose whatsoever, all or any of the photographs taken. No photograph or portion of a photograph may be copied, photocopied, electronically scanned or stored, or reproduced in any manner whatsoever without written permission of Silent Echo director Joel Dyer. Please sign below that you understand all the terms and conditions contained herein, with particular note to the copyright law and that you agree to abide with all these terms and conditions,
